

Monday 5/12	Objective: Bio Technology
	Activities: Research Project Due – Begin Presentations
	Materials: Research Projects
	Follow Up/HW: Begin to review for Final – Chapters 9, 10, 11 & 12 – Design Process Chapters 8, 17 & 18 – Measurement & Construction Chapters 13, 14, 15 & 16 – Natural Resources Chapters 29, 30 & 31 – Bio Technology
Tuesday 5/13	Objective: Bio Technology
	Activities: Research Project Presentations
	Materials: Research Projects
	Follow Up/HW: Begin to review for Final Chapters 9, 10, 11 & 12 – Design Process Chapters 8, 17 & 18 – Measurement & Construction Chapters 13, 14, 15 & 16 – Natural Resources Chapters 29, 30 & 31 – Bio Technology
Wed/Thurs 5/14 or 5/15	Objective: Bio Technology
	Activities: Research Project Presentations
	Materials: Research Projects
	Follow Up/HW: Begin to review for Final Chapters 9, 10, 11 & 12 – Design Process Chapters 8, 17 & 18 – Measurement & Construction Chapters 13, 14, 15 & 16 – Natural Resources Chapters 29, 30 & 31 – Bio Technology
Friday 5/16	Objective: Bio Technology
	Activities: Finish Research Project Presentations and begin reviewing for final
	Materials: Research Projects and Study Material
	Follow Up/HW: Review for Final Chapters 9, 10, 11 & 12 – Design Process Chapters 8, 17 & 18 – Measurement & Construction Chapters 13, 14, 15 & 16 – Natural Resources Chapters 29, 30 & 31 – Bio Technology
